HOSE ON

Effectively controls bindii & broadleaf weeds without harming lawns\*. At the same time, adds essential nitrogen and iron nutrients to your lawn, promoting lush green growth. Also contains surfactant to aid spray coverage and leaf penetration for a better weed kill result. Ideal for use on most common lawns including Kikuyu, Couch, Ryegrass, Fescue & Bent.  
**\*Not suitable for Buffalo, Lippia, Dichondra, Durban, or Strawberry clover lawns and new lawns less than 3 months old.**

**HOW TO USE:** **DO NOT USE ON BUFFALO LAWNS.** **DO NOT** lift bottle by sprayer, always use handle. **DO NOT** apply under windy conditions, or if rain is expected within 24 hours. **DO NOT** apply to lawns suffering from moisture stress or if shade temperatures are expected to exceed 30°C. **DO NOT** mow or fertilise for 7 days before or after application and avoid watering for 12 hours after application. **DO NOT** drench around the roots of wanted plants.

SITUATION	WEEDS CONTROLLED	RATE
Lawns and turf (see CAUTION below for EXCLUDED grass varieties)	Bindii, capeweed, clovers, cudweed, dandelion, docks, lamb's tongue (plantain), thistles, wireweed.	Apply the contents of this bottle over 260 square metres

#### HOW TO USE:

1. Shake the bottle well before applying.
2. Connect hose to hose-on applicator. You will need to have a click-on hose connector.
3. Ensure the applicator on/off switch is in the vertical OFF position, then lift plastic flap at front of applicator, ensuring it is completely open.
4. Turn on the garden tap using moderate to high water pressure.
5. Turn applicator on/off switch to horizontal ON position to commence spraying. Water mixes automatically with concentrate in the proper ratio.
6. Walk and spray lawn at a steady pace whilst sweeping the spray in a back and forth arc. Overlap treated areas slightly. Keep bottle upright; do not point at the ground.
7. Use caution when applying near garden beds and shrubs.
8. When finished, return on/off switch to the OFF position and turn off garden tap. Close plastic flap to prevent spillage of any unused product before storing. Always store product upright.

#### HOW TO APPLY: Measure lawn area before application.

- Apply when weeds are actively growing. Weeds will die slowly; effects may take up to 3 weeks to appear.
- To avoid damaging wanted garden plants and plants growing in lawns, 300mL from this bottle may also be diluted into 9 litres of water and applied over 20 square metres using a watering can and a sprinkle bar.

#### GUARANTEED ANALYSIS:

Total Nitrogen (N) as Urea	115g/L	11.5% w/v
Iron (Fe) as chelated iron	1.25g/L	0.13% w/v
Maximum Biuret: 10g biuret/kg N		

**NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER CONTRARY TO THIS LABEL UNLESS AUTHORISED.**

**CAUTION:** **DO NOT** use on Buffalo lawns. **DO NOT** use on Lippia, Dichondra, Durban Grass, or Strawberry Clover lawns and new lawns less than 3 months old. **DO NOT** allow spray to contact or drift onto plants you do not want killed. Keep pets and children off treated areas until spray has dried. **DO NOT** feed treated grass clippings to poultry, livestock or use to mulch plants. **DO NOT** allow chemical containers or spray to get into drains, sewers, streams or ponds. **DO NOT** use this container for any other purpose.

**STORAGE & DISPOSAL:** Store in the closed, original container in a cool, dry place out of reach of children. Do not store in direct sunlight. Dispose of empty container by wrapping in paper, placing in plastic bag and putting in garbage.

**SAFETY DIRECTIONS:** May irritate the eyes, nose and throat and skin. Avoid contact with eyes and skin. If product on skin, immediately wash area with soap and water. If product in eyes, wash it out immediately with water. After use and before eating, drinking or smoking, wash hands, arms and face thoroughly with soap and water.

**FIRST AID:** If poisoning occurs, contact a doctor or Poisons Information Centre on 131126.

**FOR EMERGENCIES ONLY, CALL 1800 033 111 (ALL HOURS).**

**LIABILITY:** This product must be used strictly as directed. Yates® will not be liable for any loss or damage arising from a failure to strictly follow the directions for use.
